

Helping Great Companies from Startup to Growth

6 Month Startup
Kitsap Launch Event
with founder and
author Dave Parker

Want to be part of a vibrant startup ecosystem here in Kitsap?

**Join us for the official kick off to 6 Month Startup Kitsap
with founder, author, and VC investor, Dave Parker.**

This free event is a must for anyone interested in supporting a robust culture of innovation, entrepreneurship, technology, and startups in Kitsap and the greater West Sound Region. You'll get the inside scoop on Dave Parker's 6 Month Startup program and book, including what the program is, who it's built for, the results you can expect to see, and how you can participate in the inaugural Kitsap 6 Month Startup cohort.

Whether you're a business leader, entrepreneur, student, government official, educational leader, or unaffiliated dreamer/do-er, you'll leave with an understanding of some of the most exciting regional and national trends in entrepreneurship, and what you can do to help birth and support a strong startup ecosystem right here in our community.

Food and refreshments provided, courtesy of the Kitsap Economic Development Alliance.

Who should attend

- Business leaders
- Entrepreneurs
- Students
- Senior county & city officials
- Educational leaders
- Dreamers & do-ers

What you'll take away

- What we mean when we talk about 'startups' and the 'startup ecosystem'
- Regional and national trends in entrepreneurship, and why startups are important to our local community
- What the 6 Month Startup program is, who it's for, and the results you can expect to see
- Key information about the program including dates and deliverables
- How you can help and/or participate

Dave Parker is the founder and author of 6 Month Startup. Dave is a Tech Entrepreneur, Venture Capitalist, and Board Member for dozens of companies, and was formerly the Senior VP of Programs at [UP Global](#) (Startup Weekend + Startup America) that was purchased by Techstars in 2015. A highly ranked mentor for Techstars, 9Mile Labs, and Founder Institute, Dave has

mentored for accelerator programs from Brazil to Moldova, Budapest to Singapore. He writes and interviews on topics for startup and technology-related companies, including blogging at [DKParker.com](#). Additionally, he is a Venture Partner with [Seven Peaks Ventures](#).
